

## Pittwater Camera Club

### Preparing Images for Submission for Digital Projection - Images on Mac "Photos"

To help you select, re-size, save/export the images according to our club protocols, here is a step-by-step guide for you:

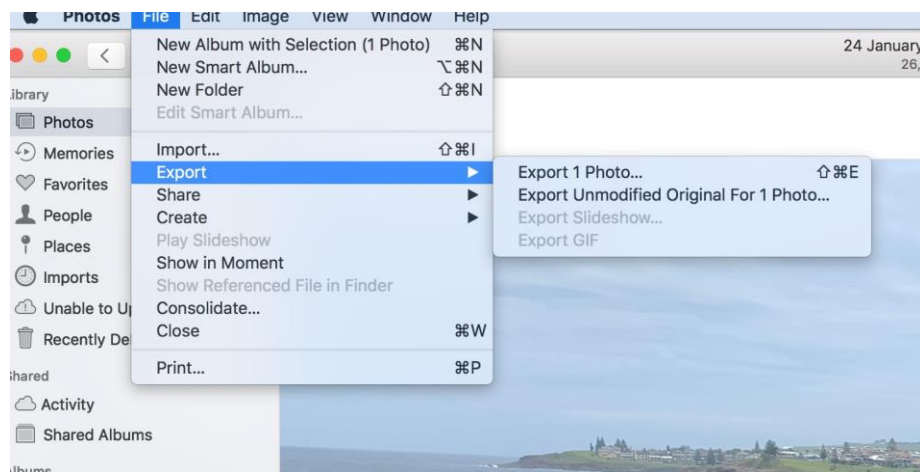

1. Open Photos
2. Select image – double click to open.
3. From top right, click on "Edit"

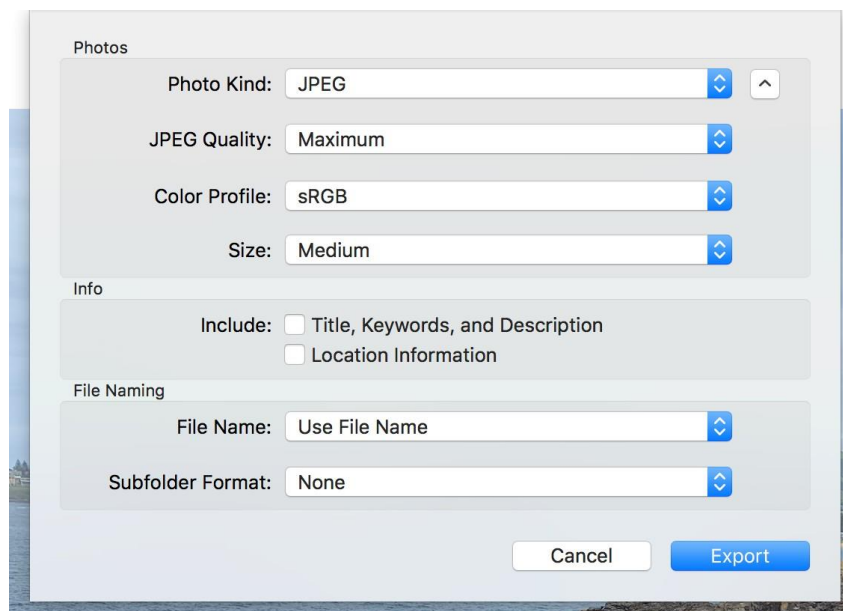

4. Then enhance image with the edit options

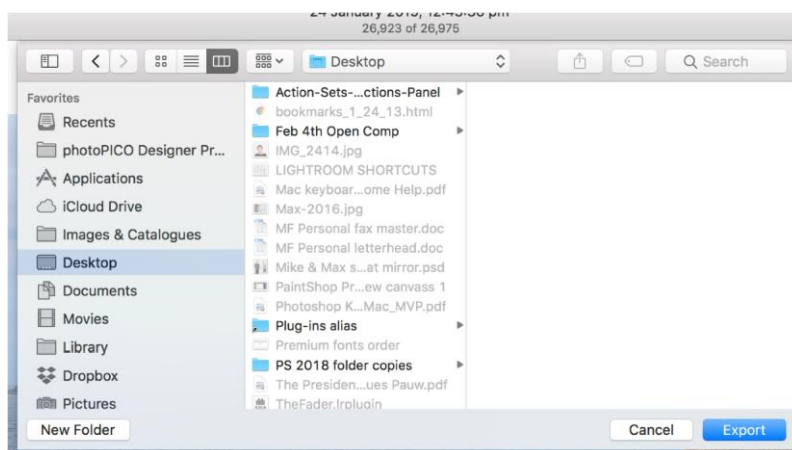

5. Click “done”
6. Then from top dropdown menu, selected “Export”

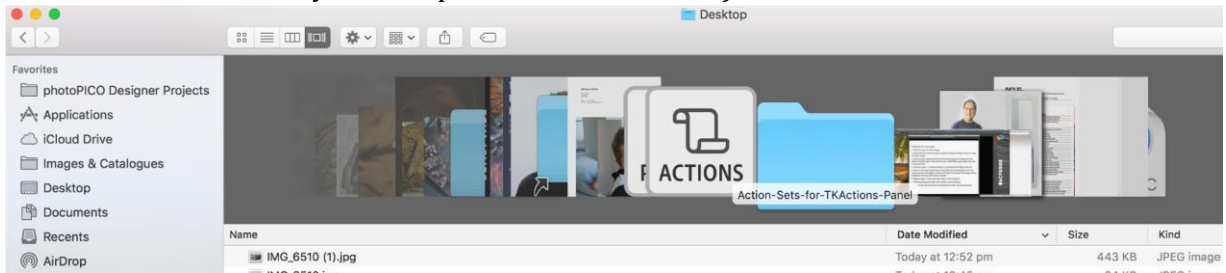

7. Set Export format as shown below:

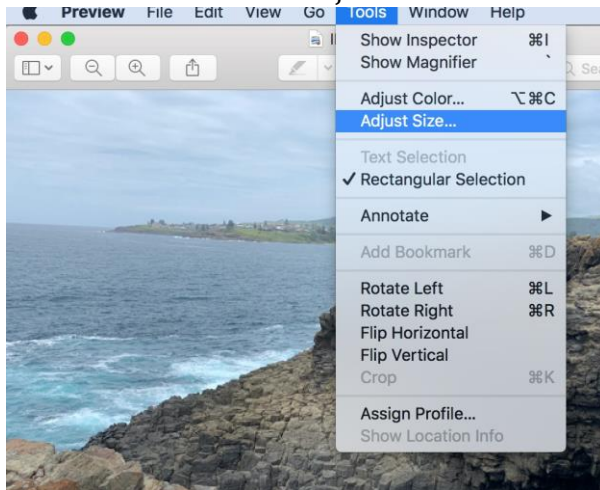

8. Specify Export location – suggestDesktop.

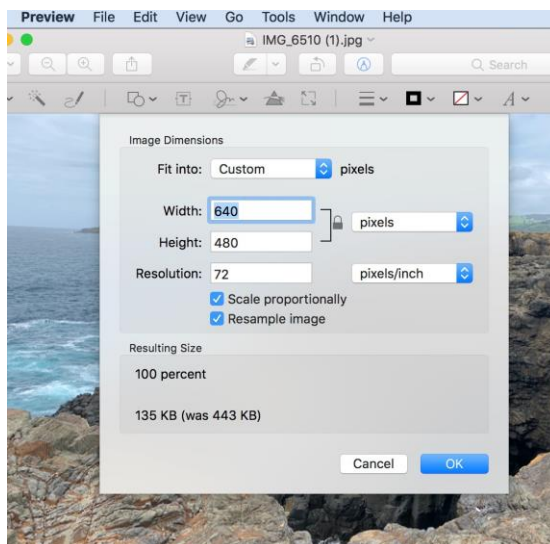

9. Check image size conforms to Club rules – open the image in Preview
10. From Mac “Finder” click on the image under Desktop (or wherever you exported it to).

11. Right click and “open with” in Preview
12. Click on “Adjust size”

13. Set image parameters so as to comply with club rules; Longest edge maximum 1920 pixels (height or width) Maximum size 500kb.

14. Click OK, then go back to “Finder”. Click on the image file name and rename per club protocol.

Name	Size	Date Modified	Kind
 image_name_your_name.jpg	443 KB	Today at 12:52 pm	JPEG image
 IMG_6510.jpg	34 KB	Today at 12:45 pm	JPEG image

15. Finished. Now image is ready to submit:

16. Entries are to be sent to [entries@pittwatercameraclub.org](mailto:entries@pittwatercameraclub.org) and must be received no later than 8pm on Sunday before competition.
