Go to – Blurb.com - Complete the registration form

The screenshot shows the Blurb.com website's sign-in page. The browser's address bar displays "http://blurb.com/signin". The page features a navigation menu with links for Home, Make Books, Share or Sell, Pricing, Bookstore, and Help. A search bar is located in the top right corner. The main content area is titled "Sign In" and includes a "Forgot Password" link. Below the title, there is a section titled "A big Blurb hello" with a welcome message. The sign-in form contains fields for "Email or Username" and "Password", a "Remember Me" checkbox, and a "SIGN IN" button. To the right of the form, there is a section titled "Not a Member? Here's why you should be!" with a list of benefits and a "REGISTER" button. The footer contains links for About Blurb, Work at Blurb, Pricing and Shipping, Privacy Policy and Legal, and Help, along with social media icons for Facebook, Twitter, and LinkedIn.

Click on – Make a Book

The image shows a screenshot of the Blurb website in a Windows Internet Explorer browser window. The browser's address bar shows the URL "http://www.blurb.com/airlea". The website header includes the Blurb logo, the user name "Welcome airlea", and a search bar. A navigation menu contains links for Home, Make Books, Share or Sell, Pricing, Bookstore, Help, My Account, and My Books. Below the header, there is a corkboard-style banner for the user "airlea". The main content area is divided into several sections:

- Most Recent Books:** This section lists two books:
 - Papua New Guinea 2009:** Created with BookSmart 2009, View 32 at 12:55 am, STATUS: PUBLISHED. It includes a "details" link, social media icons, and a "MAKE A BOOK" button.
 - Wanderings 2002:** Created with BookSmart 2009, View 18 at 09:49 am, STATUS: PUBLISHED. It also includes a "details" link, social media icons, and a "MAKE A BOOK" button.
- Book Metrics:** A section with a green header and a bar chart titled "Weekly Page Visits - All Books". It includes a "Visits" label and a "Sales" label.
- Right Sidebar:** Contains several promotional boxes:
 - A box for "New! Two-page spreads made easy" with a "MAKE A BOOK" button circled in red. A red arrow points from the text above to this button.
 - A box for "Watch webinar videos" with a "Go >>" button.
 - A box for "Got a question? We have answers >>".
 - A "BLOG" section with the title "High-speed Ink Jet and why it matters" and a short paragraph of text.

Select Book Smart

The screenshot shows the Blurb website's 'Choose a Bookmaking Tool' page. The page is divided into three main sections, each with a list of features and a button to learn more or book. A red arrow points to the 'Book Smart' button, which is also circled in red.

The screenshot shows the Blurb website's homepage. The browser address bar displays "http://www.blurb.com/created/BookSmart". The page header includes the Blurb logo, the text "Get BookSmart Free", and a search bar. Navigation links include Home, Make Books, Share or Sell, Pricing, Bookstore, Help, My Account, and My Books. The main content area features a large orange button labeled "DOWNLOAD BLURB BOOKSMART® FOR PC" which is circled in red. A red arrow points from the top of the page down to this button. To the right of the button is a link for "Not on Windows?". A green-bordered box on the right side of the page contains links for "DOWNLOAD HELP", "System Requirements", "Installation FAQs", and "Getting Started Tour". Below the main content is a "MORE OPTIONS" section with two bullet points. At the bottom, there is a footer with five columns of links: Make Books, Pricing, Learn More, Blurb Bookstore, and Help.

Download complete? Install BookSmart now.

Install BookSmart on your computer. See that BookSmart installer you downloaded, with the Install BlurbBookSmart icon? (It's probably on your desktop.) Double-click that icon to launch the installation wizard, and follow the directions. When the installation is complete, your screen will read (that's right) "installation complete."

Launch BookSmart. Just double-click the BookSmart icon on your desktop, or select Programs from the Start menu and click on BookSmart. Then say "open sesame." (OK, that last part is optional.)

Enjoy BookSmart. That's what it's there for – and you'll have a book to show for it.
